

## CAROLINA A. & M. BEATS GEORGETOWN

Score Is 12 to 0 in Favor of the Tarheels, Who Out-Classed Opponents in Every Stage of the Game. Costello Often Thrown for Downs.

Raleigh, N. C., October 23.—A. & M. College football team defeated Georgetown this afternoon in the best game of football seen on the local gridiron in years, by the score of 12 to 0. The Hill Toppers were completely out-classed in every stage of the game. Costello being their only player who was able to make any gains, and even he could not make appreciable gains, often being thrown for a loss on attempted runs, and being always downed in his tracks by the Red and White ends on punts.

The game started with Georgetown kicking off, A. & M. fumbling, and Georgetown recovering on the Techs' thirty-yard line. Georgetown fumbled, and A. & M. recovered. After an exchange of punts, the Red and White carried the ball to the Hill Toppers' eight-yard line, the last play being on forward pass, Sullivan to Fenderber. From fifteen yards, after which Georgetown held A. & M. for downs. The Techs punted out, and the quarter ended with Georgetown in possession of the ball in the middle of the field.

In the second quarter all the playing was on Georgetown's territory. This period being featured by an end run by Tenney for fifteen yards, and a fifteen-yard gain for Georgetown on a forward pass. The half ended with A. & M. in possession of the ball eight yards from the Hill Toppers' goal. The second half started with A. & M. kicking off, and the Red and White were made Costello punted. After an exchange of punts, Hurtt blocked the ball on the twenty-yard line.

On the second play in the fourth quarter Tenney carried the ball over, the ball being missed on the kick out. The other touchdown was made in the same quarter, Tenney making it and Hurtt missing goal.

The features of the game were the playing of Riddick, Tenney, Sullivan and Hurtt. For A. & M. and the holding of the Red and White line.

## DESPERATE WORK FOR HARVARD MEN

Fight-Day at Cambridge With a Vengeance—Penn State Game To-Day.

[Special to The Times-Dispatch.]  
Cambridge, Mass., October 23.—The most desperate scrimmage work ever given a Harvard squad was handed out to the team today. Two teams were picked from the varsity and subs, the varsity first string back, with the varsity line, and the first string line with the second string back. For about ten minutes the scrums were made, and was about even on both sides. The first string back of Brickett, Mahan and Hardwick, found the going pretty hard against the regular line, but towards the end of the scrimmage the varsity line began to tire, and then the first string moved through for good gains, having the end of the scrum with which they were called.

Parmenter and Lathrop Whittington played for about five minutes with the sub line, and Percy Wendell, captain last year, played for a short time in the first string. The fight day at Cambridge with a vengeance.

Captain Storer played his first game at end, and put up a wonderful exhibition. He was downed the field, and his own line of scrimmage was very good. He was likely to be kept at end. Gilman, who took his place in the scrum, showed up strongly, and will be kept in Storer's old place without a doubt.

More games were set over the second to-day when it was announced that John Milne, who had been injured in the first string, was to play. This puts another good end and a line drop kicker out of the game just when good ones are needed. The work to-morrow will be light, as Penn State plays here on Saturday. The Penn State will arrive in the morning, and will practice in the stadium early in the afternoon as the first string, and the current. A close, hard game is expected.

## VALE REGULARS HELD BY SCRUBS

[Special to The Times-Dispatch.]  
New Haven, Conn., October 23.—Although the Yale varsity eleven was sent smashing through thirty minutes' scrimmaging in final practice for the Washington and Jefferson game this afternoon, only one touchdown could be pushed or heaved over the line.

During the latter part of the drill the scrubs held the regulars almost inevitably, forcing them to kick on third down to save the ball. Ben Avery, who was again at left end, was easily the star of the practice, his tackles and runs down the field under punts showing him in his best form of the season.

Avery slightly injured his leg and groin in favor of Roberts and Pumphrey, who was slightly injured. He and Guernsey divided honors as scrub full back. Warren retired with a slightly injured hand.

No new coaches reported. Following the scrimmage work the kickers were given an hour's punting and drop kicking practice, and the signal rehearsal as the longest of the week. None of the work was in secret.

## EAGLES' ELEVEN TO PLAY IN PETERSBURG

The Eagles, a colored football aggregation of this city, which has won every game played so far this season, go to Petersburg to-day, where they will meet the eleven from the Virginia Normal Institute. The game promises to be close and interesting, and having won all games so far, the Eagles, naturally expect to return to Richmond bearing the laurels of to-day's gridiron conflict.

## The Campaign For Municipal Clubhouse On In Earnest

The following open letter explains itself. It is the purpose of the Richmond Amateur Athletic Federation to have the city build a public clubhouse at William Byrd Park. After reading the letter, if you approve the plan, fill the blank below and mail to F. S. Tousey, Secretary R. A. A. F.:

To the Men and Boys of Richmond:

The Richmond Amateur Athletic Federation believes that there is need of a municipal clubhouse at Byrd Park, open to every white man and boy in Richmond. Such a clubhouse would be under the direct supervision of the Administration Board of the city of Richmond, and the board would appoint an athletic trainer to direct the work in the interest of the white men and boys of Richmond.

The clubhouse would contain at least 2,000 steel lockers, baths and living quarters for the trainer. A cinder track would be built, 100 yards dash, courts for basketball, field hockey, soccer, lacrosse, cricket; also additional courts for baseball, tennis, football and other outdoor sports. The equipment, free to all, would consist of all apparatus for jumps, pole vault, hurdles, hammer throw, discus, shot put—in fact, everything necessary for training in every department of athletics. This athletic equipment would be installed inside the cinder track, which would be well lighted at night, so that the workmen and boys would have an opportunity to use it after the day's work was over.

The suggestion for the establishment of this municipal clubhouse has been received with favorable comment by city officials, private citizens, heads of schools, athletic organizations, and in particular by employers of men and boys, who feel that such a work would be of great value to those who do not now have a chance for physical training in the open.

The question which will be asked by the Mayor, Administrative Board, Board of Aldermen, Council and Finance Committee is, Do the men and boys of Richmond want such a clubhouse, and will they use it and appreciate it if it is built?

The Richmond Amateur Athletic Federation wants this matter brought before the city of Richmond this fall for consideration in the budget for 1914, and to this end every white boy and man, from twelve years old and up, living in Richmond or suburbs, who is directly interested, is requested to fill out the blank printed below and mail the completed card to F. S. Tousey, Secretary, Twenty-first and Short P. Street. If we can have 2,500 of these blanks returned within a short time favorable action is practically assured.

FOR A MUNICIPAL CLUBHOUSE AT BYRD PARK.

I am heartily in favor of this plan.

## YELLOW JACKETS AGAINST SPIDERS

Hot Gridiron Contest Scheduled for Broad Street Park To-Morrow.

The "Spiders" of Richmond College, are ready for their game with the "Yellow Jackets," from Randolph-Macon College, which will be played at Broad Street Park to-morrow afternoon at 2:30 o'clock.

Coach Dobson has been putting his men through all sorts of practice stunts this week, and encouraged by their victory over Wake Forest last Saturday, the Spiders will make an extra effort to down the yellow fellows from up Ashland way.

Reports from Randolph-Macon College are to the effect that the Yellow Jackets are in fit trim for the fray, and will be accompanied to Richmond by a goodly number of rooters, who will make the welkin ring with their yells for the Randolph-Macon boys.

## OLD CUP DEFENDER MAY BE CALLED ON

Bristol, R. I., October 23.—The old cup defender Columbia probably will be requisitioned for the third time as a trial boat for the America's cup defender of defenders next year, and there is a possibility that Rear-Commodore J. P. Morgan may be at her wheel.

The syndicate that will build the boat now being designed here to meet the fourth Latitude is convinced of the necessity of a competitor in the trial races, even though such a boat should be considerably larger than the 1914 defender.

Mr. Morgan inherited the Columbia from his father, who headed the syndicate that built her. The elder Morgan turned the Columbia over as a trial boat for the Constitution in 1901, so ably was she managed that the syndicate was forced to reject the Constitution in favor of her boat.

The Columbia is in excellent condition and can be placed in commission with comparatively little expense.

## SCRIMMAGE WAS INTERESTING ONE

Benedictine College and Richmond College, eleven men, held a scrum game at Broad Street Park yesterday afternoon. Benedictine showed marked improvement in their play, and the Richmond College wanted practice for their game with Randolph-Macon to-morrow, and the game was interesting.

Although Benedictine would not stand any chance in a regular game with the Spiders they put up a good fight against the Richmond College. Seven touchdowns, Richmond College only getting one in the scrimmage, not that the Spiders could not get ten more, they wanted to try their defensive work and that accounts for the score made by the young college.

Coach Dobson, since the game with Wake Forest, has been hard at work with the Spiders getting in trim for the game with the Yellow Jackets to-morrow. He feels that they will have a big game, and the game and will go into it to win.

Carolina Wants Game With Medical College

[Special to The Times-Dispatch.]  
Chapel Hill, N. C., October 23.—That the possibility is strong for the coming year that the Virginia Medical College will supply the date open by reason of cancelling the game is evident from negotiations now pending between Carolina and the Medical College. In reply to a telegram from Carolina asking for a date, Doctor L. B. Wickes of the Virginia Medical College, wired to-day that he would announce definitely whether the game would be held or not to-morrow. Since there is a lapse of time between the game with Washington and Lee and the game with Virginia on Thanksgiving, Carolina is anxious to fill in that date with some strong team. If the Medical College declines to play a game with Carolina, the Tarheels will look elsewhere for a game. Wake Forest or Davidson would be considered favorably, providing the game could be staged here.

## GREAT INVENTION TO BE SHOWN HERE

Coleman's Baseball Player at Belvidere Hall To-Morrow Evening.

The Coleman baseball player, which made such a decided hit in Washington, D. C., and Baltimore, has been brought to Richmond, and will be seen at Belvidere Hall, corner Main and Belvidere Streets, commencing to-morrow evening at 8:30 o'clock.

This invention is something brand new, and will be sure to please all who are fond of a game of baseball. It is done with moving pictures, but still totally different from a motion picture, as there is no machine used. You will have a hard time guessing how it is done.

You see the player get up from the bench, walk over and pick up the bat, then to the plate, which is a real picture, he hits the ball, run the bases, get put out or slide to safety. The ball is the great feature.

The teams are dressed differently, so that you can tell at a glance which team is in the field.

## 100 TO 1 SHOT WINS BY A NOSE

Laurel, Md., October 23.—Song of the Valley, a good-looking son of the old-time race, has won the \$100,000 purse offered by the Maryland Jockey Club this afternoon by defeating August Belmont's filly, a nose. The Song was at one time 100 to 1 in the betting, and was played only by a few that fancied the name.

Jim Cavan, the Long Island millionaire, who started the filly, and who, privately, had the satisfaction of seeing both race home. Surprising as the race was, it was not surprising that the Song was a favorite.

EXHIBITION OF GOLF.  
San Francisco, Cal., October 23.—Harry Vardon and Edward Ray, the world-renowned British golf players, gave an exhibition this afternoon on the links of the Ingleside Golf and Country Club. They handily beat the best ball of Charles Macdonald and W. J. Garby, noted amateurs, and A. J. Reilly, the professional, who is regarded as a splendid player.

The Brits were won the match by a score of 4 up and 2 to play. Their best ball was 68, while that of their opponents was 70. Vardon's best was 68, and single handed he beat the score made by his rivals.

IS MARQUARD IN DEAL?

Reported to Have Been Swapped for Tyler, New York, October 23.—Local fandom was very much disturbed to-day over the report that Manager George Stallings of the Boston Braves had arranged a swap of pitchers, "Babe" Marquard for George Tyler. Both Stallings and Marquard are negotiating to leave the Braves, and it is believed that the swap would be a very desirable one for both parties.

## VIRGINIA SQUAD GOES TO ATLANTA TO PLAY GEORGIA

Hundreds of Students Give Team Send-Off on Departure for First Big Game.

[Special to The Times-Dispatch.]  
Charlottesville, Va., October 23.—Virginia's varsity football team left at 7:40 to-night for Atlanta, where the strong Georgia eleven will be played on Saturday.

The squad was given a big send-off. Several hundred students, headed by a drum corps, marched to the depot.

An hour and a half of practice was indulged in this afternoon as final preparation for the contest, which is the first big game on the schedule. There was no scrimmage. The ends were practiced in breaking up end runs and the blackfield men in receiving punts and running them back. In the signal practice, Quarter Back Gooch drove the players at top speed. Eighteen players were taken on the trip in addition to Coaches Warren and Vancor, Manager McMorris and a number of rooters.

Virginia's line-up at the stand will be as follows: Brown, center; Captain Smith to Frank, guards; Madden and Woolfolk, tackles; Gillette and White, ends; Gooch, quarter back; Mayer and Randolph, half backs; Landes, full back.

Other players taken along were: Ray, Jett, Speer, Coleman, Goodwyn, Creekmore and Walker.

Virginia's line from end to end will show a weight of 153 lbs. in the line to the man; Georgia's 175. Virginia's backfield, 170; Georgia's, 162.

## BOWLING

RICHMOND BOWLING LEAGUE ORGANIZATION IS PERFECTED  
At a meeting of the ex-board of the Richmond Bowling League held at the Newport Alleys last night, with President McMorris in the chair, the organization of Class A teams was perfected. Four teams have been entered for the season, which begins next Tuesday night, at which time the schedule will be arranged to meet all requirements of the members.

Secretary Goetz has been instructed to call a meeting of the captains of the Athletics, White Sox, Cubs and Giants for Monday night at 8:30 o'clock for the purpose of perfecting the details. Judging from the enthusiasm being shown in the bowling game, this season promises to eclipse all others.

The city tournament, to be held in this city some time in February, with teams from Washington, Baltimore and several Virginia clubs participating, Richmond will force to the front as a bowling centre.

The teams composing the Richmond Bowling League will be made up as follows:

Athletics—Spilling, captain; Sutterlin, Whitman, Bell, Houchens, Williams, Battige.  
Cubs—Wade, captain; Ellis, Schmidt, Hays, Purdie, Cosby.  
Giants—Blair, captain; Barrow, Overman, Smith, J. Barrow.  
White Sox—Cook, captain; McFarland, Bailey, Davis, Flynn, Deasey.

To-night the Richmond Bowling League will meet at the Sibley Shoe Company, of the Commercial League, will meet on the Virginia Hotel, at 8:30 o'clock. The teams will be made up as follows:

Michigan Squad Arrives at Nashville for Vanderbilt Game.

[Special to The Times-Dispatch.]  
Nashville, Tenn., October 23.—Vanderbilt football practice was marred this afternoon by a heavy rain, the field being so muddy that the team was forced to run signals on the turf near the gymnasium. Because of the slippery condition of the field and ground, a little earlier than usual giving them a blackboard lecture of a half hour's duration.

The Michigan squad, twenty-five strong, arrived here to-night from Ann Arbor, and received a rousing reception from the Vanderbilt students. Yost reported his men in good condition, and stated that several of his stars who were unable to take part in the game last Saturday would be in shape to play against Vanderbilt. This includes Half Back Gault and Full Backs Meade and Benton.

Both teams will have light workouts to-morrow afternoon on Dudley Field, behind closed gates, after which they will rest on their arms for Saturday's battle.

Neither coach would give out an official line-up to-night, and it is probable that this will not be decided until the last minute.

Both teams will be present at a big mass-meeting at College Hall to-morrow night.

Vanderbilt is plugging much faith on the educated toe of Horde Boensch, the senior half back, 147-pounder, who is a whirlwind of speed, but he is giving promise of being one of the best all-around kickers Vandy ever developed.

He can kick on average of fifty yards, drop kicks better than any one on the field, and also kicks goals from placement accurately.

Vanderbilt's line promises to be weak and the coaches are working desperately to get this department bolstered up by the time of the Virginia game, when they all concede will be harder than the one with Michigan.

## WIZARD HOPPE'S WORK ATTRACTS BIG CROWD

World's Champion Billiardist Gives Exhibition of His Skill and Defeats Local Player—Exhibitions This Afternoon and To-Night at the St. Elmo.

The St. Elmo Billiard Parlors, at Broad and Ninth Streets, were crowded almost to suffocation last night by spectators assembled to witness the exhibition of billiard shooting by Willie Hoppe, the world's champion. In the afternoon a good-sized crowd saw Mr. Hoppe play H. M. Fries, representative of the Brunswick-Balke-Whitcomb Company, who took the champion scoring his high point when Fries had only seventy-eight to his credit.

More than 1,500 spectators crowded into the parlors at night to see the "Wizard of the Cue" play a game with Milton Schaefer, at odds of 400 to 150. Hoppe made his 400 points in the sixteenth inning, just as Schaefer's wire showed a count of 105. Schaefer's play was very good, and won the applause of the audience.

The champion's play was very remarkable, and his position was perfect. Draw and curve shots seemed to be his specialty. After the exhibition game Mr. Hoppe gave a display of his skill in fancy and difficult shots, a close draw around the table and leaving the balls in one corner for position, three-cushion follow shot, with reverse English and leaving the balls in position featured this display of the wizard, who also made other pretty shots.

The exhibition by Innings of the Schaefer-Hoppe game:

Hoppe.....	1 2 3 4 5 6 7 8
Schaefer.....	1 2 3 4 5 6 7 8
Hoppe.....	9 10 11 12 13 14 15 16 T. I.
Schaefer.....	9 10 11 12 13 14 15 16 T. I.

This afternoon and to-night Mr. Hoppe will again play Mr. Schaefer, and Walter Kirsh will referee the match.

Hoppe's highest run is 625, the world's record. He has been defeated in but one match during his career. On November 17 he will meet Calvin Demarest in the Astor House, New York City, in a world's championship game.

## SPEED IS SHOWN BY TIGER VARSITY

[Special to The Times-Dispatch.]  
Princeton, N. J., October 23.—With the Dartmouth game two days off, the Princeton varsity went at the scrubs with tremendous force and speed in a scrimmage that lasted an hour to-day. With the scrubs using Dartmouth's formations—or the Princeton notions of them—the varsity took the ball repeatedly on downs. "Buzz" Law, injured ten days ago, was back playing half back to-day. He and Substitute Full Back Trekmann scored the varsity's two touchdowns.

Simmons, who lost his centre position to Eddie Trenkman, was tried at guard to-day, and he made a strong showing. Captain Hobbs' fakes showed a marked improvement in his drop kicking.

The two Bakers, Hammond, Strait, Gluck, Ballin and W. Swart were kept out of scrimmage to insure their fitness to meet Dartmouth on Saturday. Eddie Hart, famous Tiger full back, arrived from Seattle to-night to aid in coaching.

Latonia in Grip of Rainy Weather

Latonia, Ky., October 23.—Latonia was again in the grip of rainy weather to-day, and the track was still heavy and holding. The fields were small, but the public was in force as the attempts to locate the winner. There was no particular feature to the card, but interest centered in the fourth event, in which some good mud runners were engaged and Just Red was the winner. Just Red, a colt owned by Harry Lauder and Prince Hermis, J. C. Miller's Mule R. L. proved a good surprise when she led some a good bunch of fillies in the third. Emerald Gem and W. W. the choices, did not show their best races. Jock took the opening event at odds of 27 to 1.

Linemen Given Workout.  
[Special to The Times-Dispatch.]  
Annapolis, Md., October 23.—Former Coach Jack Carey worked with the linemen of the Navy football team this afternoon. He was delighted to learn that the White Sox, who had been injured an injury of any account this season. To-day's practice was largely devoted to blocking and receiving kicks, the work of the back field in receiving, showing a marked improvement in the play of the whole squad was out for a short scrimmage arranged in form that was praised by the coaches.
